Dear Residents & Stakeholders of the City of South Fulton:

RE: Clarification – 2017 Proposed Budget Presentation

During the budget hearing presentation on Tuesday, June 6, 2017, there was a slide showing that the City of South Fulton had a $6 million fund balance deficit. Fulton County initially reported uncompensated payout (leave liability) totaling $6 million for 400 plus employees in the Special Services District (SSD). The project is now estimated to be $10 million. This liability has limited impact on the current 5- month budget (May-September 2017) because we are only bringing over Planning & Community Services and Code Enforcement. I am providing this explanation in an effort to offer each of you additional clarification in the spirit of transparency.

Keep South Fulton Strong,

William "Bill" Edwards, Mayor
