## **City of South Fulton District 2 Councilwoman Carmalitha Gumbs Hosts Community Cleanup, Spotlights ‘Environmentally Conscious’ Student Artists and Raises Funds for Local Schools**

***Winner to be Named in ‘Cleaner, Greener’ Mascot Contest during Comcast-Sponsored Event; City of South Fulton to Donate Branded Trash Receptacles to Westlake High School***

SOUTH FULTON, Ga. – For the second year in a row, City of South Fulton Councilwoman Carmalitha Gumbs is partnering with Comcast for a community cleanup and school fundraiser. The event, which includes music and food, will take place on May 4, 2019 at Wolf Creek Library located at 3100 Enon Road, from 10:00 a.m. until 1:00 p.m.

By design, area students and schools will be the biggest beneficiaries of the event. One student artist will be named the winner of the “Cleaner, Greener” mascot contest, will receive a cash prize and be deputized as “Mayor for the Day.” Branded trash receptacles used during the event will be donated to Westlake High School. Comcast will also make donations to local schools to reward the community for their time and effort.

“Our community cleanup, in partnership with Comcast, has become something that residents of all ages look forward to,” said Councilwoman Gumbs. “It’s a massive display of community pride. It’s also an opportunity to engage our youth, show our support for our schools and model for the next generation what it means to do your part to make your community a great place to live.”

Comcast Cares Day has rallied more than one million volunteers to contribute over six million service hours since the initiative was first launched nearly two decades ago. Grants from The Comcast NBCUniversal Foundation on behalf of volunteers who contribute their time have totaled more than \$25 million.

“As we celebrate our 18th annual Comcast Cares Day, we are delighted to partner with Councilwoman Gumbs to give back to our local community here in South Fulton,” said Lizette Tarver, senior marketing manager. “It is incredible to see how we can drive meaningful change by bringing together our employees, their friends and families, and our community partners, both on this day and throughout the year. We are thankful for the participants and volunteers who continue to work to make a positive difference.”

The entire community is encouraged to volunteer for the cleanup event. Adult and teen volunteers will be deployed to major corridors in the area and Cliftondale Park. Elementary school-aged volunteers will

assist with planting flowers and other beautification projects at Wolf Creek Library.

### **About Comcast Corporation**

Comcast Corporation (Nasdaq: CMCSA) is a global media and technology company with three primary businesses: Comcast Cable, NBCUniversal, and Sky. Comcast Cable is one of the United States' largest video, high-speed internet, and phone providers to residential customers under the Xfinity brand, and also provides these services to businesses. It also provides wireless and security and automation services to residential customers under the Xfinity brand. NBCUniversal is global and operates news, entertainment and sports cable networks, the NBC and Telemundo broadcast networks, television production operations, television station groups, Universal Pictures, and Universal Parks and Resorts. Sky is one of Europe's leading media and entertainment companies, connecting customers to a broad range of video content through its pay television services. It also provides communications services, including residential high-speed internet, phone, and wireless services. Sky operates the Sky News broadcast network and sports and entertainment networks, produces original content, and has exclusive content rights.
