South Fulton to Offer Mobile COVID Testing at Three Sites During June

(CITY OF SOUTH FULTON, GA – June 1, 2020) – The City of South Fulton is partnering with county health officials and local faith-based organizations to offer free mobile COVID-19 testing in three city neighborhoods during June.

A mobile unit operated by the Fulton County Board of Health has been offering tests throughout the county for the last few weeks for those unable to travel to a test site.

“Some of our residents have circumstances that prevent them from being able to take advantage of the testing sites offered in the county,” said City Councilwoman Helen Z. Willis, who coordinated the testing opportunities with the health department. “We are committed to the safety of every resident and will do what it takes to ensure everyone has access to testing.”

The mobile unit will be available from 9 a.m. until 4 p.m. at the following locations:

- June 10 -11 – Siloam Church International - 3695 Roosevelt Highway, South Fulton, GA 30349
- June 17-18 – Spread the Word Ministries - 4626 Washington Road, South Fulton, GA 30349
- June 24-25 – Welcome All Park - 4255 Will Lee Road, South Fulton, GA 30349

Residents may call (404) 613-8150 for appointments. Walk-ups also will be accepted.
