Statement Encouraging the Wearing of Masks in Public to Slow COVID-19 Spread

(CITY OF SOUTH FULTON, GA – Jul 1, 2020) – City of South Fulton Mayor William “Bill” Edwards issued the following statement today when asked if he would require residents to wear masks if he had the power to do so.

“When the governor ended his executive order requiring people to shelter in place. I went on record encouraging City of South Fulton residents to continue to do so to help slow the spread of COVID-19. It was the right thing to do. The same applies to the wearing of masks. Whether the governor issues an order, I encourage every City of South Fulton resident to wear a mask when in public to protect themselves and others. Again, it's the right thing to do.”
