Details: (City of South Fulton, GA – February 26, 2020) – The City of South Fulton will hold a grand opening and ribbon cutting ceremony for its new Red Oak Main Street and CollabSouth office Thursday, February 27.

Additionally, Mayor William “Bill” Edwards will hold a ceremony to sign a strategic alliance memorandum with the U.S. Small Business administration.

An open house will follow both events.

The Main Street program is a revitalization initiative made to invest in areas that have been underinvested. According to Economic Development Director Christopher Pike, the center will provide a significant boost to the next generation of South Fulton business owners.

“Our goal is to help revitalize the areas and bring them back to what they used to be,” said Pike. “The Red Oak District is an important commercial corridor for the city. This investment will help create the vibrancy citizens want in the city.”
