City of South Fulton Government

City of South Fulton Hosts Sanitation Services Information Sessions Throughout the City

(CITY OF SOUTH FULTON, GEORGIA, Thursday, December 6, 2018) The City of South Fulton is committed to providing quality services to its citizens, sustaining and protecting the city's resources, and making enhancements in the city to improve the quality of life. As a realization of those commitments, the City is proud to introduce its new Waste Collection Program.

During the weeks of December 10th and 17th, the City of South Fulton Department of Public Works – Sanitation Division will hold information sessions throughout the City to give citizens an overview of the overall sanitation service model, inform them of the various available providers, and to listen to any concerns they may have about the service or provider(s).

Residents and community stakeholders will also have an opportunity to participate in the development of the City's FY2019 strategic planning process through a discussion and a brief survey to help the City meet the five strategic goals as outlined by South Fulton's executive leadership team, Mayor and Council.
