City of South Fulton Hosts Career Expo-This Friday!

(CITY OF SOUTH FULTON, GEORGIA, January 23, 2019) The City of South Fulton is proud to host its first community career expo on Friday, January 25, 2019. The event is free and will be held at the Aviation Community Cultural Center located on 3900 Aviation Circle, NW, Atlanta, GA 30336 from 4:00 p.m. - 7:00 p.m.

Whether you are a seasoned executive-level professional, just beginning your career, or anywhere in between, this expo will serve as a great opportunity to connect talented candidates with employers. Participants will have the ability to meet employers and apply for jobs on-site. Employers participating in the career expo are located throughout the Fulton Industrial Boulevard (FIB) corridor.

"The City's career expo aligns with the Mayor and Council's priority of Economic Development within the City of South Fulton strategic plan," stated City Manager Odie Donald II. "The City is proud to help bring solutions to the needs of local businesses as well as to our citizens. This expo will create a conduit between businesses that need employees and job seekers that are looking for employment opportunities in the Fulton Industrial area."

This event will allow participants to learn about the businesses that are hiring within the FIB corridor and what their hiring needs are. By attending this event, participants will be able to meet directly with hiring managers and possibly be hired on the spot.

"This event is truly unifying the public spirit of our community," said Economic Development Administrator Christopher Pike. "A city's economic development efforts often look at 'big picture' effects – how a community as a whole benefits from projects – but it is also important for individual citizens to feel the personal impacts of improving our local economy."

Businesses expected to participate in the career expo include:

United States Census Bureau	Coca Cola Bottling
Fulton County Schools	Gate Gourmet
Trace Staffing Solutions	Atlanta Gatorade/Pepsi Beverages Company
Hire Dynamics	Columbia Safety & Supply
