East Point/College Park Delta Sigma Theta Celebrate Being First to Participate in City of South Fulton Adopt-A-Road Program

(City of South Fulton, GA – November 26, 2019) – Mayor William “Bill” Edwards and the East Point/College Park Alumnae Chapter of Delta Sigma Theta Sorority, Inc. celebrated the chapter being the first participant of the City of South Fulton Adopt-A-Road program on Monday, November 26, 2019.

The organization adopted a stretch of Butner Road to commemorate the chapter’s 40th anniversary. Mayor William “Bill” Edwards praised the group for their service to the community.

“Members of Greek letter fraternities and sororities known as the Divine Nine have service in their hallmark,” said Mayor William “Bill” Edwards. “We are pleased to have Delta Sigma Theta step up to be the first member of the Divine Nine to take the opportunity to serve our city.”

The Adopt-A-Road program is a litter prevention and beautification initiative sponsored by the City of South Fulton Public Works Department. The initiative aims to attract public involvement in keeping the city clean. When an organization adopts a road, they assume responsibility for sections of the public right-of-way.

“We are proud to partner with the City of South Fulton in its inaugural year of the Adopt-A-Road initiative,” said Debra Bunkley, chapter president. “This project supports our goal to actively deliver service in our community. With over 600-chapter members, we pledge to keep our mile stretch along Butner Road clean, and we encourage other organizations to join the campaign to keep South Fulton beautiful.”

Any civic organization can adopt a stretch of a roadway in the City of South Fulton. If your organization is interested in adopting a road, contact the Public Works Department Adopt-A-Road Program Staff at 404-640-1528.
