

State Licensing Board for Residential and General Contractors

The Authorized Permit Agent form may be used by a licensed contractor to designate an individual to obtain permit(s) on his/her behalf for a project(s). The contractor should submit an Authorized Permit Agent Form for each project that he/she designates an individual to pull permits for. The form is to be given to the permit office in the city or county in which the project is located. Do not send a copy of this form to the Board office unless you are requested to do so.
