### **South Fulton Officer Receives Three-Day Suspension for Actions in Accident Scene Altercation**

(CITY OF SOUTH FULTON, GA – April 1, 2021) – Today the City of South Fulton announced a three-day suspension without pay for Cpl. Solomon Muhammad, who was involved in an altercation with a passing motorist at an accident scene in January. Muhammad also will have to attend de-escalation and sensitivity training, according to Police Chief Keith Meadows.

“We have reviewed the findings of the GBI’s investigation into this incident and feel this to be a fitting resolution to the case,” Meadows said. “There were violations of department policy, which warrant the actions we’ve taken today. However, there is no evidence included in the GBI report that suggests additional measures should be taken.”

Cpl. Muhammad will return to patrol duty following his suspension. He has remained on administrative duty since the incident, which occurred Jan. 29.
