## VIRTUAL INFORMATION MEETINGS

### T-SPLOST OPERATION AND SAFETY (OSI) PROJECTS

In the Spring 2021, Public Works will hold four Virtual Public Meetings (VPM) on seven operational and safety improvement (OSI) projects. The purpose is to introduce the project team, give an overview of the projects listed below, present concept alternatives, and solicit comments from the community. All meetings will be held from 06:30-08:00pm. The meeting dates are tabulated below:

Date	Project	District(s)
April 26	Butner Road at Pittman Road	2,3
	Stonewall Tell Road at Jones Road/Pittman Road	2,4
April 27	Feldwood Road at Morning Creek Drive	5
	Feldwood Road at Benchmark Drive	
April 29	Demooney Road at West Stubbs Road	4
	Enon Road at Stonewall Tell Road	2
June 3	Flat Shoals Road ATMS (Advanced Traffic Management System)	5,6,7

We hope you will take the opportunity to tell the City what you think. Input from residents is encouraged in two activities:

Please take the **brief survey** to provide comments, if any. <https://arcg.is/OG4Hnr>

1. Plan to attend and/or participate in a virtual meeting
  1. **Register in Advance:** Only registered residents will be able to attend and/or participate in the meeting.
